DON WOOD FOUNDATION CAMPS, CLUBS, and COMPETITIONS GRANT GUIDELINES

I. ABOUT THE DON WOOD FOUNDATION

The Don Wood Foundation is committed to growing and strengthening the manufacturing sector in the Midwest region. Formerly known as the 80/20 Foundation Trust, the Don Wood Foundation was founded in 2018 by Don Wood, the late founder of 80/20 Inc. Today, the Don Wood Foundation is an independent, private foundation governed by a seven-member Board of Trustees.

II. ABOUT THE CAMPS, CLUBS, AND COMPETITIONS GRANT PROGRAM

The Don Wood Foundation is interested in supporting programs that engage youth in technology, engineering, and/or entrepreneurship. This includes but is not limited to, STEM Camps, Robotics Clubs, Entrepreneurial Pitch Competitions, and STEM-related classroom programming that engage participants enrolled in K-12 public and private schools and youth-serving nonprofit organizations. Eligible programs can range from one-time or one-day experiences to ongoing, regular programming.

A. GRANT OBJECTIVES AND EVALUATION

Applications will be evaluated based on the grant seeker's ability to demonstrate that their programming meets the following objectives:

- **CURRICULUM RELATED TO TECHNOLOGY, ENGINEERING, OR ENTREPRENEURSHIP**
Programming should incorporate an age-appropriate, hands-on, participant-driven curriculum related to developing an engineering and/or entrepreneurial mindset.
- **INTEGRATION OF NONCOGNITIVE SKILL-BUILDING**
Programming should integrate an age-appropriate approach to developing participants' leadership, teamwork, collaboration, verbal and non-verbal communication, agency, self-determination, problem-solving, and creative process.
- **INCLUSIVITY**
Participation in the program should be affordable, inclusive, and accessible.

B. DON WOOD FOUNDATION'S DESIRED OUTCOMES FOR THE PROGRAM

The Don Wood Foundation will evaluate the effectiveness of the Camps, Clubs, and Competitions Program by aggregating and evaluating the following data for grant recipients:

- **REGIONAL IMPACT**
The Camps, Clubs, and Competitions Program will demonstrate increased access to technology, engineering, and entrepreneurship programming in all twelve counties of northeast Indiana by December 31, 2025.
- **INCLUSIVITY AND OUTREACH**
Camps, Clubs, and Competitions Program will support increased access to technology,

DON WOOD FOUNDATION CAMPS, CLUBS, and COMPETITIONS GRANT GUIDELINES

engineering, and entrepreneurship programming for traditionally underserved individuals, as measured by comparison to the demographics of the county or northeast Indiana.

- **PROGRAM EXPANSION**

Camps, Clubs, and Competitions Program will support the startup of at least five (5) new programs by December 31, 2025.

- **PARTICIPANT RETENTION AND GROWTH**

Camps, Clubs, and Competitions Program grant recipients will experience an increase in participation because of access to more funding. At least 25% of Camps, Clubs, and Competitions grant recipients that re-apply for funding in year two (2) will report an increase in anticipated participants.

C. LOCATION ELIGIBILITY

Eligible grant seekers must primarily serve young people (ages 4–18) who reside in the following counties of northeast Indiana.

1. Adams
2. Allen
3. DeKalb
4. Grant
5. Huntington
6. Kosciusko
7. LaGrange
8. Noble
9. Steuben
10. Wabash
11. Wells
12. Whitley

D. ELIGIBLE REQUESTS

Applicant Type: Public and private K-12 schools, CTE centers, universities, nonprofits, and organizations that use a fiscal agent with a 501(c)(3) tax designation are eligible to apply. Some examples of organizations that offer technology, engineering, and entrepreneurship programming include 4-H Clubs, Girl Scouts, Boy Scouts, school teams, school classrooms, afterschool clubs, robotics clubs and competitions, entrepreneurial clubs and competitions, and summer opportunities. Other applicants not listed who meet the criteria are eligible to apply.

Volunteer-Led Programs: While the Don Wood Foundation acknowledges that many youth programs are volunteer-driven, we ask that funding requests be submitted by an employed staff member, board member of the organization, or fiscal agent representative acting on behalf of the program.

Competitions: The Don Wood Foundation will consider requests for funding or additional funding from teams that advance in a competition and have an opportunity to compete at a regional, state, or national level. **The Don Wood Foundation strongly prefers that funds be used to ensure that all team members can participate in the competition, especially those for whom the personal expenses of entry fees, travel, hotel, and/or meals may be a barrier. A separate request form will need to be submitted for competitions. Please see the instructions below.**

DON WOOD FOUNDATION CAMPS, CLUBS, and COMPETITIONS GRANT GUIDELINES

E. REQUEST AMOUNT

Existing Programs: The total request should not exceed \$10,000 or one-third of the total program expenses for one year, whichever is less.

Startup Programs: The total request should not exceed \$15,000 or half of the total program expenses for one year, whichever is less.

Competitions: The total request should not exceed \$5,000 and be used to ensure that all team members can participate, especially those for whom cost may be a barrier.

Already applying to the Don Wood Foundation's Rolling Grant Program? The Don Wood Foundation welcomes an organization to apply for and receive support from the Camps, Clubs, and Competitions Program at the same time as its general Rolling Grant Program.

Grant Renewal or Reapplication: The Don Wood Foundation welcomes an organization that received a grant to re-apply **after completing a satisfactory Outcomes Report**. The Don Wood Foundation welcomes an organization that was declined a grant to re-apply in the following year.
